AZFOLTE

Bike is the new normal !

The image displays three overlapping screenshots of the AZFOLTE website, illustrating its functionality for bike management and sales.

Left Screenshot: Product Page
The page shows the 'Analog Hybrid Essential' product. It includes a sidebar with navigation links (Home, About, Contact, etc.), a main content area with product details (Manufacturer, Model, Price, etc.), and a right sidebar with additional information and a 'Create new' button.

Middle Screenshot: Bike Selection Interface
The page is titled 'ÉTAPE 1: CHOISISSEZ VOTRE VÉLO'. It features a filter section on the left with options for 'Filter par prix', 'Filter par marque', and 'Filter par fonction'. The main area displays two bike models: 'MIDM Pedelec 800' and 'ARCADE 8-CADANS 14.5T', each with a 'Détails & Louer' button.

Right Screenshot: Fleet Management
The page is titled 'Fleet Management'. It shows a table of bike usage data with columns for 'Bike', 'Usage', 'Status', and 'Date'. Below the table, there is a 'Response samples' section displaying JSON data for bike usage.
